

INTRODUCING

SOURCE

An online platform focussed on sovereign empowerment for individuals and their communities.

We invite you to sign up to be part of our World Council for Health family and use the resources and insights to guide and support you on your journey.

Features will include:

- ▶ Free membership platform with built-in topic-based discussion groups to help you connect with like-minded souls.
- ▶ Resources library with tools and links split into readily searchable categories to empower everyone - individuals and their communities.
- ▶ Searchable database of holistic practitioners 'Health Guides' to help you thrive.
- ▶ Network map hi-lighting your local community groups Source Ambassadors and Source Connections - find your tribe!
- ▶ Campaigns area to help you find your voice, get behind your cause and be the change you want to see in the world.
- ▶ Access to initiatives such as Sovereign Natural Empowerment training and links to other World Council for Health projects - all focussed on 'A Better Way'.

How did Source come about?

We were guided by World Council for Health supporter's responses to a poll asking them to share their priorities. Developing personal sovereignty and improving wellbeing came out on top so that became our mission!

Please join our Telegram channel for updates on the project launch.
